

SAUD UR RAHMAN

Swabi, KhyberPakhtunkhwa, Pakistan • 0310-9415989 • saud.k478988@gmail.com

SUMMARY

Software Engineering student with a strong interest in software development and machine learning. Completed a 3-month Machine Learning internship at Ezitech Institute, gaining hands-on experience in Python, data analysis, and model development. Skilled in Java, Python, and Flutter, with experience building academic and personal projects.

EDUCATION

Bachelor of Science in Software Engineering

COMSATS University Islamabad, Aabbottabad Campus

Relevant Coursework:

Data Structures & Algorithms, Database Management Systems, Artificial Intelligence, Machine Learning, Software Engineering, Object-Oriented Programming

Final Year Project:

- Designed and developed a mobile application for food sharing and waste reduction
- Implemented core functionalities for user interaction and data management

WORK EXPERIENCE

Machine Learning Intern, Ezitech Institute. Rawalpindi

Jan 2026 - Apr 2026

- Applied machine learning algorithms and data preprocessing techniques
- Developed and evaluated models using Python and Scikit-learn
- Worked on Brain Tumor Segmentation using MRI scans
- Built Cyber Abuse Detection system for Roman Urdu text
- Implemented Logistic Regression models for binary classification tasks
- Developed mini web applications using Flask, Django, and FastAPI

PROJECTS

- Worked on Brain Tumor Segmentation from MRI Scans using machine learning techniques.
- Developed a Cyber Abuse Detection system for Roman Urdu text using machine learning.
- Implemented and evaluated Logistic Regression models for binary classification tasks.
- Built mini web application projects using Flask, Django, and FastAPI frameworks.

ADDITIONAL INFORMATION

- **Technical Skills:** Java, Python, Flutter, Machine Learning, MySQL, Data Structures & Algorithms, Object-Oriented Programming (OOP)
- **Languages:** English, Urdu
- **Certifications:** Machine Learning Internship Certificate – Ezitech Institute
